

Since its inception in November 1987, **Project HELP** of Henry County has provided utility assistance to nearly 6,000 households in Henry County.

Project HELP is a community-wide effort to assist Handicapped, Elderly and Low-income Persons who may need provisory aid with utility bills. **Project HELP** is governed by a board of Henry County volunteers. **ALL** funds are used strictly for utility assistance and are administered according to carefully drawn guidelines.

If you would like to participate in **Project HELP**, it's easy to do. You may request Paris Board of Public Utilities simply to add \$1, \$2, or more to your monthly bill.
